Building, Top of bank, Water edge, Road marking solid, Contours, Stop valve, Square manhole, Traffic light, Station, TOT, Top of tree

Notes:
* This Survey was produced for original clients specification at time of instruction.
* If the survey is to be used by any other parties, or for purposes other than those originally considered, further details or higher accuracies may be required. Please contact PCA.
* PCA take no responsibility for additions made by third parties to survey.
* Accuracy and amount of detail is based on scale of mapping.
* Drainage pipe sizes (where shown) have been gauged from the surface for safety reasons and should be regarded the surface for safety reasons and should be regarded as approximate only.
